WHO WAS I CREATED TO BE?

God is a God of intentionality. We can see it on display in the world that He created, we see it woven throughout the narrative of His Word, and it's evident in each of us! We have value and worth because we're made in His image, and we were designed to be in a relationship with our Creator.

At this year's Healthy Home Conference, we'll see how God's design is revealed in us. Through keynote sessions and specific breakouts that help answer "Who was I created to be?", we'll see how God's plan changes our perspective, gives us hope, and shapes how we see the world around us. Join us as we discover this truth together.
